

From right to left: Prof Jackson M. Mbuthia, Dean, [School of Engineering](#), Prof Michael J. Gatari, Director (Ag.), Institute of Nuclear Science & Technology, Prof. Elijah Mwangi, Department of Electrical and Information Engineering, Mr. Youngho Choi, Manager and Mr. Taejin Kim, General Manager, Business Development Division, Korea Nuclear Association. Not in the picture is Mr. Charles K. Njuguna, Registrar/Secretary [College of Architecture & Engineering](#) and Mr. Mangala, lecturer, Institute of Nuclear Science & Technology.

The group held a meeting that discussed the existing collaboration and support in Nuclear Science and Engineering anchored in a Memorandum of Understanding between the University of Nairobi and Korea Nuclear association. The agreement involves human resource development in the area of nuclear education at the University of Nairobi. They also discussed the prospects of establishing a Nuclear Engineering Program at the College of Engineering.
